#### The Ted Wragg Multi Academy Trust

#### **Policy Statement**

We are an ambitious and inclusive Trust of schools strengthening our communities through excellent education. One of the ways we will succeed in our mission to transform lives and strengthen communities to make the world a better place is through our commitment to growing, welcoming and retaining great people, including supporting and growing our early career teachers. The Ted Wragg Multi Academy Trust is committed to ensuring that the best teachers are delivering high quality lessons that support all children to achieve their best.

#### Definition

For the purpose of this document:

#### 1. Context

1.1. This policy applies to Early Career Teachers (ECTs) who started their induction on or after 1 September 2021.

1.2. This policy is based on:

1.2.1. the Department for Education's (DfE) statutory guidance Induction for early career teachers (England),

- 1.2.2. the Early Career Framework reforms and,
- 1.2.3. the Education (Induction Arrangements for School Teachers) (England) Regulations 2012
- 1.3. The 'relevant standards' referred to below are the Teachers' Standards.

1.4. This policy complies with our funding agreement and articles of association.

#### 2. Aims

2.1. The Ted Wragg Multi Academy Trust is committed to ensuring that the best teachers are delivering high quality lessons that support all children to achieve their best. To do this, we support all new entrants to the profession to ensure they make an excellent start to their careers, fitting fully into our communities and achieving their full potential.

2.2 The Trust approach to the induction of Early Career Teachers is an important part of the professional learning journey to which all our staff have access. Staff can join the Trust in a variety of pre-teaching roles, they can train to teach with the Trust on a school-centered route and they can progress their careers with the Trust by continuing on our professional development pathways. Teachers at all levels are encouraged to be ambitious and look outwards, in order to continue to deliver the best teaching for our young people. 2.3 This policy aims to ensure all staff understand their role in the induction programme; and lays out the roles and responsibilities of this very important part of our Trust People Strategy.

#### 3. The ECT Induction Programme

3.1. The ECT induction programme in our schools is underpinned by the ECF, enabling ECTs to understand and apply the knowledge and skills set out in the ECF.

3.2. Prior to the ECT serving their induction, the Headteacher and appropriate body must agree that the post is suitable and will enable the ECT to evidence that they meet the Teachers' Standards.

3.3. For a full-time ECT, the induction period will typically last for 2 academic years. Part-time ECTs will serve a full-time equivalent. Up to one term of continuous employment may count towards completion of the induction period.

3.4. The programme is quality assured by our commissioned Appropriate Body. Trust schools select an appropriate body that will undertake this role for their setting.

#### 4. Roles to Support ECF

4.1. Each ECT will:

4.1.1. be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant Standards throughout, and by the end of, the induction period,

4.1.2. have an appointed induction tutor in each school, who will have Qualified Teacher Status (QTS),

4.1.3. have an appointed induction mentor, who will have QTS,

4.1.4. have a reduced timetable to allow them to undertake activities in their induction programme; in their first year; this will be no more than 90% of the timetable of our existing teachers on the main pay range, and in their second year, this will be no more than 95% of the timetable of our existing teachers on the main pay range,

4.1.8. not have unreasonable demands made upon them and,

4.1.9. will not normally teach outside the age range and/or subjects they have been employed to teach

#### **5. Support for ECTs**

5.1. The Trust support ECTs by providing:

5.1.1. a designated induction tutor, who will provide day-to-day monitoring and support, and co-ordinate their assessments,

5.1.2. their designated induction mentor or coach, who will provide regular structured mentoring sessions and targeted, instructional feedback,

5.1.3. observations of their teaching at regular intervals, both regular coaching drop-ins and more formal extended observations. These will be followed up with prompt and constructive feedback conversations, 5.1.4. regular professional reviews of their progress, to take place termly at which their induction tutor will review objectives and revise them in relation to the relevant standards and their current needs and

#### 6. Assessment of ECT Performance

6.1. In addition to their Termly Progress Reviews, ECTs will receive formal assessment meetings in the final term of the ECT's first year (term 3) and the final term of their second year (term 6), and will be carried out by the Headteacher or Induction Tutor of each school, as required by our Appropriate Body.

6.2. These meetings will be informed by clear and transparent evidence gathered from progress reviews during the preceding assessment period, and drawn from the ECT's work as a teacher and from their induction programme. Copies of the evidence relied on will be provided to the ECT and the appropriate bod.6.3. After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The Headteacher or Induction Tutor will also recommend to the appropriate body in the final assessment report at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.

6.4. The ECT will add their own comments, and the formal assessment report will be signed by the Headteacher, induction tutor and the ECT.

6.5. A copy of the formal assessment report will then be sent to the appropriate body. The final assessment report will be sent within 10 working days of the meeting, for the appropriate body to make the final decision on whether the ECT has passed their induction period.

6.6. In the event that the ECT leaves this post after completing one term or more but before the next formal assessment would take place, the induction tutor or Headteacher should complete an interim assessment to ensure that the ECT's progress and performance since the last assessment is captured.

#### 7. At-risk Procedures

7.1. If it becomes clear during a termly progress review or at the first formal assessment point that the ECT is not making sufficient progress, additional monitoring and support measures will be put in place immediately and the Appropriate Body will be informed. A support plan will be put in place that identifies:

7.1.1. Areas in which improvement is needed;

7.1.2. Appropriate objectives to guide the ECT towards satisfactory performance against the relevant standards;

7.1.3. An effective support programme is to help the ECT improve their performance. The support plan will be discussed at a meeting between the ECT and the Induction Tutor. The ECT will be informed that they are currently identified as 'not on track' to meet the Teachers' Standards and that support will be put in place for a period of six weeks.

7.2. The progress review record or formal assessment report will be shared with the appropriate body, alongside the support plan, for it to review. The support plan will be reviewed by the employing school regularly throughout the six weeks.

7.3.1 f there are concerns about the ECT's progress during their subsequent progress reviews or formal assessment, as long as it is not the final formal assessment, the induction tutor or Headteacher will discuss this with the ECT, updating objectives as necessary and revising the support plan for the next assessment period.

7.4 During this time the Appropriate Body will perform a Quality Assurance visit to the school to ensure that the ECT is receiving their full ECF based induction entitlement and to provide support for all involved in the process.
