# PROBLEMATIC HEADACHES

# INFORMATION FOR CHILDREN AND YOUNG PEOPLE

## WHY DO I GET HEADACHES?

Headaches occurs when the brain is not happy about something. This can be due to a whole range of reasons!

# **IS IT JUST ME THAT GETS HEADACHES?**

No, headaches that causes problems are very common!

- 1 in 5 young people will get tension type headache
- 1 in 10 will have the migraine type

It's not your fault you have headache, it's just the way your brain is wired up. Headache is even more common with mental health problems.

# WHAT TYPES OF HEADACHE ARE THERE?

### TENSION HEADACHE

- They can last between hours and days

#### **MIGRAINE**

- Some people get an "aura" such as blurry vision before the
- Additional features such as vomiting and sensitivity to light, sound, movement or touch
- Tummy pain when there is not a headache is common in younger

You can have both types of headaches at different times.

# WHAT CAN I DO IF I **HAVE HEADACHES?**

The things you can do are similar if you have tension headaches or migraine headaches:

- 1. ACCEPT that you have a problem.
- 2. ACT to sort it out.
- 3. ASK for help.
