1. Introduction

- 1.1. This Policy sets out how the Trust will exercise its discretionary functions under the Local Government Pension Scheme (LGPS), which is administered by Peninsular pensions.
- 1.2. There are many discretions in the current and previous regulations. This policy covers the regulations where a written policy must be in place in relation to the exercise of its discretion, which are:
 - a. 12. Power of employing authority to increase total membership of active members
 - b. 16. Shared Cost Additional Pension
 - c. 17 & TP15. Shared Cost AVC arrangement
 - d. 18. Flexible retirement
 - e. 30. Choice of early payment of pension according to the Benefits Regulations
 - f. 31. Power of employing authority to grant additional pension
 - g. TPSch 2. Power to 'switch on' the 85 year rule.
- 1.3. In preparing, or reviewing and making revisions to this policy, the Trust must have regard to the extent to which the exercise of any of the functions, in accordance with this policy could lead to a serious loss of confidence in the public service and be satisfied that this policy is workable, affordable and reasonable having regard to foreseeable costs.

Flexible Retirement

Employers may allow a member from age 55 onwards to draw all or part of the pension benefits they have already built up while still continuing in employment. This is provided the employer agrees to the member either reducing their hours or moving to a position on a lower grade.

In such cases pension benefits will be reduced in accordance with actuarial tables unless the employer waives reduction on compassionate grounds or a member has protected rights.

Policy Decision

A flexible retirement may be considered on:

- Reduction of hours and/or grade, or
- Reduction of hours and/or grade with the release of pension benefits, or
- Appointment to new continuing employment within the Trust on reduced hours and/or grade, with or without the release of pension benefits

Flexible retirement will be subject to:

- Reduction in salary similar to the level of pension to be received, and
- A minimum period of employment of 12 months in the reduced grade and/or hours following Flexible Retirement, and
- No return to the higher hours/grade

Employees must be therefore be made aware that where a Flexible Retirement request has been improved, any actuarial reduction will be borne by them.

In some cases, employer “strain” cost may apply. The trust can only consider Flexible Retirement where there is no cost to the trust. An employee is not able to pay the cost of the employer “strain” cost.

Regulation R30(8)

Waiving of actuarial reduction

Employers have the power to waive, on compassionate grounds, the actuarial reduction (in whole or part) applied to member's benefits paid on the grounds of flexible retirement.
