

Medication Policy

Review Summary

Adopted:	May 2017
Review Cycle:	Bi-annual
Last Review:	November 2020
Next Review:	November 2022

1. Introduction

- 1.1. The Trust wishes to ensure that students with medical needs receive proper care and support in accordance with the statutory guidance. Our intention is to ensure that students with medical conditions should have full access to education including trips and PE.
- 1.2. The local governing body will ensure that arrangements are in place in schools to support pupils at school with medical conditions. The local governing body should ensure that school leaders consult health and social care professionals, pupils and parents to ensure that the needs of children with medical conditions are properly understood and effectively supported. This includes a commitment to provide appropriate support and training to staff to ensure they are competent before taking on the responsibility of supporting students with medical conditions.
- 1.3. The academy's insurance will cover liability relating to the administration of medication and the provision of first aid treatment by a member of staff.

2. Staff Responsibilities:

- 2.1. Staff will be responsible for ensuring the following:
 - a. Procedures to be followed when notification is received that a student will be attending who has a medical condition (including transitional arrangements between schools, re-integration or when students' needs change; arrangements for staff training or support) are circulated and adhered to.
 - b. Procedures to be followed when a student moves to the academy mid-term or when a student has a new diagnosis are circulated to appropriate staff and any necessary changes are put in place.
 - c. Procedures are in place and circulated for the location and use of the school defibrillator.

3. Individual Healthcare Plans (IHCP)

- 3.1. Where identified as being necessary, Individual Health Care Plans (IHCP) will be developed between the individual school within the Trust to help a student manage their condition and overcome any potential barriers to getting the most from their education are identified. *Refer to the Managing Pupils at Schools with Medical Conditions Policy for further information.*
- 3.2. The relevant Head teacher will have the final decision on whether an Individual Health Care Plan is required.

4. Students with asthma and the use of an Emergency Inhaler/spacer

- 4.1. The XXXXXXXXXXXX team will be responsible for the storage, care and disposal of asthma medication not held by individual students.

4.2. XXXXXXXXXX will be responsible for ensuring the following:

- a. Instructing all staff on the symptoms of an asthma attack
- b. Instructing all staff on the existence of this policy
- c. Instructing all staff on how to check the asthma register
- d. Making all staff aware of who are the designated first aid staff and how to access their help
- e. ensuring that designated staff:
 - Recognise the signs of an asthma attack and when emergency action is necessary
 - Know how to administer inhalers through a spacer
 - Make appropriate records of attacks

5. **The Administration of Medicine**

5.1. The Head teacher will accept responsibility in principle for members of academy staff giving or supervising a student taking medication during the day, where those members of staff have volunteered to do so. Where it is appropriate to do so, students will be encouraged to administer their own medication and if necessary under staff supervision.

5.2. Staff who volunteer to assist in the administration of invasive medication will receive appropriate training/guidance through arrangements made with the academy's Nurse Service.

5.3. Prior written parental consent is required before any medication can be administered. Any parent/carer requesting the administration of medication will be given a copy of this policy.

5.4. Medication will be accepted and administered in the establishment, providing it is in keeping with what is stated on the bottle/packaging. Only reasonable quantities of medication will be accepted. Each item of medication should be delivered in its original dispensed container and handed directly to the Student Support Team authorised by the Headteacher.

5.5. Each item of medication should be clearly labelled with the following information:

- a. Student's name
- b. Name of medication
- c. Dosage
- d. Frequency of dosage
- e. Date of dispensing
- f. Storage requirements (if important)
- g. Expiry date (if available)

5.6. It is the responsibility of parents/carers to notify the academy if there is a change in medication, such as a change in dosage requirements, or the discontinuation of a student's need for medication.

- 5.7. Unless otherwise indicated, all medication to be administered will be kept in the first aid room and will be made available as and when required unless parents/carers have confirmed in writing that they wish their student to carry their medication with them. This excludes non-emergency prescribed drugs such as Methylphenidate (Ritalin), which must be held in the central secure location.
- 5.8. The academy will make every effort to continue the administration of medication to a student whilst on activities away from the premises. Specific Trip Parental consent forms must be in place and adequate risk assessments will be undertaken, which include the checking of consent forms and logging of medicines provided.
- 5.9. Sun Creams can be administered, using over the counter propriety brands and in original containers. Parental consent forms must also be in place and it will be the responsibility of the student to apply their own sun cream when needed.

6. Policy Circulation

- 6.1. This Policy will be published on the Trust's website and included in the Trust's Policy Monitoring Schedule.
- 6.2. The Trustees, are responsible for overseeing, reviewing and organising the revision of this Policy.
