Information Pack and Job Description

All Saints Academy, Plymouth

www.asap.org.uk

Welcome to All Saints Academy, Plymouth!

This is an exciting time to be part of All Saints Academy, Plymouth and Team ASAP! The academy is undergoing rapid change and improvement and is a brilliant place to work. The academy is housed in state of the art buildings. Our outstanding facilities are some of the best in Plymouth from purpose built classrooms, all fitted with interactive whiteboards to professional catering kitchens for students to use and a Motor Vehicle workshop. We are the only Church of England secondary academy in West Devon and are committed to educating students of the Christian faith, those who belong to other faiths and those who subscribe to no faith. We were inspected in May 2019 by the Church inspection team and they graded us as a good school in all areas. Ofsted also visited us in October 2019 and commented favourably on the improvements we have made, stating that the school no longer required special measures. We have the highest expectations of our students here and ensure they go on to achieve their best. **All Saints Academy** ensures that every student is **well-educated**, prepared for the **future** and is able to **live life** to the full. We have high expectations of students here, with a commitment to delivering excellent teaching and learning that inspires our students and leads to excellent outcomes.

Our mission is underpinned by four values. They are:

Faith – Putting Christian faith at the heart of every action and ensuring a safe environment and caring ethos for all.

Foundations – Providing strong foundations in learning, behaviour and success for all.

Family – Understanding the importance of family, the value of community and support for all.

Futures – Preparing for bright futures shaped from excellent progress, achievement and choice for all.

Our values ensure that all of our students are developed during their time here at the academy, academically, socially, morally and spiritually.

We also have mantras which we ask all of our school community and stakeholders to live by. They are: **'together we succeed'**, **'work hard, be kind'** and **'no excuses'**. We have these mantras to achieve the very best in all that we do. You can find out more about our mantras on our website.

We are part of the Ted Wragg Multi Academy Trust which allows partnership working for the benefit of all of our students with other Academies in Devon. We are an innovative Academy that really values professional development with staff. To that extent we invest in staff to have time to be part of the 'precision coaching' programme that stems from America, based on the 'Leverage Leadership' book and 'Teach Like a Champion' techniques. This is what is enabling us to become one of the best Academies in Devon and the South West.

I am very proud to be Headteacher of All Saints Academy, Plymouth which is a very special place to work. I am looking for an exceptional person for this post and as you read through this information pack, if you wish to find out more, please get in touch. Thank you for taking the time to consider this post and if it is right for you, I look forward to receiving your application.

The Technology Faculty

The Technology Faculty at All Saints consists of a purpose built block of classrooms and offices. The subjects taught are Motor Vehicle, Engineering, Business, ICT, Hair and Beauty and Food Technology. The faculty is well resourced with a newly refurbished Food Technology room, professional kitchen, Business and ICT suites, Motor Vehicle workshop and garage resistant materials/product design suite and a Hair and Beauty Teaching suite, which are fully equipped.

Technology is the most popular Faculty in the school for choice of subjects by students at Key Stage 4 and there are 6 teachers and a full time technician.

Technology runs in Key Stage 3 for Years 7 and 8 pupils once a week, with a 75 minute lesson. In Key Stage 4, for Years 9, 10 and 11 pupils we will be running a mixture of vocational courses in Catering, Business Studies, Creative iMedia, Motor Vehicle and Engineering. Looking further ahead, the aim is to introduce more courses that will meet the needs and interests of the students at All Saints. Motor Vehicle Studies is taught through the IMI course.

Inspections

The Church of England inspection (SIAMS) was completed at All Saints in May 2019 and graded the Academy as good. This took into account the quality of education, pastoral care and the ethos of the Academy.

Ofsted visited the school in October 2019 and commented favourably on the transformation the school was making and that it no longer required special measures. Since September 2018, the Academy has benefited from new leadership, joining the Ted Wragg Multi-Academy Trust and an injection of new staff and middle leaders. Systems and structures have been overhauled and now the Academy is well in to it's journey of rapid improvement.

The Ted Wragg Multi-Academy Trust

The Ted Wragg Trust was established in 2010 with the aim to create an outstanding educational experience for all of Exeter's children. Since then it has expanded to include schools in Plymouth. Professor Ted Wragg, in whose memory the Ted Wragg Trust is named, was passionate about education in general, and in Exeter in particular, and about how education can transform young people's futures.

All students within the Ted Wragg Trust, regardless of social or cultural background, are motivated to succeed and make outstanding progress because their needs are met through creative, relevant and innovative teaching.

All Saints Academy, Plymouth is part of the TWMAT and there is a 'Plymouth Hub' of schools in the MAT.

We Value Our Staff!

We value our staff and do this by having sensible policies and clear systems in place, such as:

- We do not expect staff to write endless feedback to students. We do not do WWW or EBI but instead have a fast whole class feedback approach and live marking.
- We do not expect you to set homework. This is already planned and set for you with our 'Need to Know' Booklets.
- You will not be expected to attend pointless meetings. We value CPD time and to that extent have weekly department and whole staff CPD.
- We do not grade lessons or have formal observations. Instead we invest in incremental coaching, where all staff have a trained coach to watch parts of a lesson and feedback. You will get more out of this than any formal observation or training course.
- We value our future leaders and, along with the Ted Wragg Multi-Academy Trust, we invest in the talent development of our staff.
- Your lessons won't be disrupted by poor behaviour as we have a place where students go if they can't focus in your lesson.
- All staff receive a work laptop.
- Lesson resources are prepared for you, using high quality schemes of learning developed by expert leaders across our school and the Trust. We use booklets in lessons for students to work in, fully resourced. You will be free to deliver these how you please, but there is no need or expectation to be planning every night of the week!
- We offer a staff attendance reward policy, where staff can claim vouchers.
- We have corporate membership to the Elfordleigh Hotel and use this for staff events/training. Staff can also access discounted membership rates for their spa and sports.
- Staff can access free health checks with Nuffield Health.

Do you want to work in a school...

- That has undergone rapid cultural and transformational change in the past 3 years?
- That has significantly improved results, year on year?
- Where the teacher is valued as the expert?
- That has a very clear and systematic approach to student care and behaviour, with a centralised approach and its own alternative provision?
- That takes workload seriously? That has a clear workload charter, has a rational approach to marking? That restricts email use at weekends and during holidays and does not see 1265 as a target to meet?
- That believes in co-planning, retrieval practice, Direct Instruction and traditional approaches to teaching?
- That values its staff and has a strong approach to CPD?
- That prioritises a 'Knowledge Rich' curricular approach, valuing hugely the importance of the curriculum?
- Where the senior team are on the ground and are highly supportive?
- Where the staff are fully behind our ambition for excellence?
- That is values-driven, wanting the very best for the students?
- That has a clear coaching culture to help drive improvement?
- Where we take research seriously and have our own action research team?
- Where people feel valued, and morale is high across the school?

If the answer is yes to the above, then this school is for you.
