

This document is to remain under constant review due to the fast-changing nature of DfE / Government guidance in response to the challenges posed by Covid-19

Risk Assessment for:	Whole School - Covid 19 (September 2021 Onwards)			Version	4.0		
School:	All Saints Academy	Address:	Honicknowle, Plymouth, PL5 3NE				
Person(s) / Group at risk:	Staff, pupils, visitors and contractors						
Risk Assessment carried out by:	Lee Sargeant (Headteacher)	Date:	10/09/21	Approved by:	SLT	Date:	13/09/21
	Katie Plant (H&S Lead)	Date:	10/09/21	Approved by:	Governing body	Date:	13/09/21

<p>This risk assessment refers to documents contained within the following guidance: https://www.gov.uk/government/collections/guidance-for-schools-coronavirus-covid-19</p>	<p>Current Tier: Step 4</p>
<p>This is a model risk assessment and MUST be adapted to reflect the significant hazards and control measures present in your site. This is a live document and it must be continuously reviewed alongside the latest Covid-19 government guidance and hierarchy of controls: Annex A: health and safety risk assessment. It must also be read alongside existing risk assessments and health and safety arrangements for your school.</p> <p>The following guidance must be followed: Covid Guidance for Education and Childcare Particularly sections covering Managing a school or early years setting.</p> <p>When conducting the risk assessment, it is important that the school adopts a considered collaborative approach in line with DfE Guidance. It is a legal requirement that schools should revisit and update their risk assessments (building on the learning to date and the practices they have already developed), to consider the additional risks and control measures. This risk assessment is generic, and each school is responsible for reviewing and amending to ensure it is applicable to their setting and the latest government guidance and must consult with their staff regarding the risks and control measures being implemented.</p> <p>The control measures listed are prompts and will not necessarily reflect those in all establishments and you MUST adapt it by adding or removing and outlining in detail the control measures as appropriate to your establishment.</p>	
<p>PLYMOUTH SCHOOLS</p>	

<p>Confirmed cases of COVID-19 should follow the the latest guidance from PHE SW : https://www.england.nhs.uk/south/wp-content/uploads/sites/6/2021/08/schools-flowchart-v15-aug-21.pdf</p> <ul style="list-style-type: none"> • Inform Plymouth City Council if you are required to using this email address: covid19@plymouth.gov.uk
<p>Definition of a close contact</p> <p>When completing your risk assessment, it is important that your mitigations control measures in all aspects of the school day, considers PHE definition of 'close contact' as:</p> <ul style="list-style-type: none"> • direct close contacts - face to face contact with an infected individual for any length of time, within 1 meter, including being coughed on, a face to face conversation, or unprotected physical contact (skin-to-skin) • proximity contacts - extended close contact (within 1 to 2 meters for more than 15 minutes) with an infected individual • travelling in a small vehicle, like a car, with an infected person <p>Focusing on obtaining mitigations they reduce close contact, will reduce staff and pupil absences when there are cases within the school.</p>

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
1	Distancing and reducing risk of transmission			
1.1	Entrance and egress to school site causing large groups of people inside school grounds compromising social distancing	<p>Communicate school access processes clearly to staff and parents. Pupils and staff are asked to sanitise their hands, on arrival. Pupils, staff and others are not permitted entry to the school building and should not come to the school grounds if they have coronavirus (Covid 19) symptoms, or have tested positive in the last 10 days. Anyone who becomes unwell with a new, continuous cough or a high temperature, or has a loss of, or change in. their normal sense of taste or smell, is sent home and advised to follow: Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection</p> <p>Display a QR code where members of the public use the premises. Use alternative drop off locations, utilise all entrance routes and encourage only one parent to attend where possible. One-way system to be put in place where possible and remind all to keep to the left when moving around the school.</p>	<ul style="list-style-type: none"> • Designated egress routes for faculties to minimise congestion on egress. • If a student is identified as being symptomatic or has a positive LFT they will be isolated and await collection in room 004 (next to reception) and make use of the toilet facilities in room 005. • Once the student has left, the room/s will be thoroughly cleaned before being used again. 	No
1.2	Parents gathering at school gate not social distancing	Make clear to parents that they cannot gather at entrance gates or doors or enter the site (unless they have a pre-arranged appointment, which should be conducted safely).		No
1.3	Overcrowding in classrooms and corridors.	School contingency planning will ensure it is possible to reintroduce 'bubbles' for a temporary period should they be instructed to do so.	Exeter and Plymouth are currently in an Enhanced Response Area (ERA). Face coverings to be worn in communal areas.	
1.4	Risk of transmission within EYFS settings	The EYFS setting within the school site will follow the relevant system of controls and follow the latest guidance. The setting will carry out separate risk assessments for specific areas where necessary (i.e. malleable materials / messy play / tooth brushing / singing) and will communicate these fully to the relevant parties.	Not applicable	N/A

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
1.5	Groups mixing during breaks and lunchtime compromising social distancing.	School contingency planning will ensure it is possible to reintroduce measures for a temporary period should they be instructed to do so.		No
1.6	Groups mixing during extra-curricular provision	Extra-curricular activities to take place in accordance with Protective Measures for Out of School and Holiday clubs .		No
1.7	Wraparound provision: Groups mixing during extra-curricular provision	Breakfast and after-school provision to take place in accordance with Protective Measures for Out of School and Holiday clubs .		No
1.8	Spread of virus due to increased numbers of people within the building.	Inform staff, parents, carers and other adults that: <ul style="list-style-type: none"> • Pupils, staff and other adults must not to come into the school they have one or more symptoms, or they have had a positive test. • Pupils / staff travelling to the UK from abroad must adhere to government travel advice and staff / parents should bear in mind the impact on their child's education which may result from any requirement to quarantine or isolate upon return. • They must immediately cease to attend and not attend for at least 10 days from the day after: <ul style="list-style-type: none"> • the start of their symptoms • the test date if they did not have any symptoms but have had a positive test (whether this was a Lateral Flow Device (LFD) or Polymerase Chain Reaction (PCR) test) Active engagement with NHS Test and Trace	<ul style="list-style-type: none"> • Weekly parent blog and regular newsletters/ communication of information to continue. • Appropriate signage displayed in reception. • Risk Assessment shared on website and Google Drive • All staff made aware of expectations via training and correspondence. 	No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
		Posters and briefings to those who have access to the school to remind them to focus on the key points of infection control: <ol style="list-style-type: none"> 1. Do not attend if symptomatic. If symptoms commence on site, isolate, inform leadership and leave. Unless caring for a student in which case PPE required, avoid contact with anyone with symptoms 2. Frequent hand cleaning and good respiratory hygiene practices for all staff, visitors and students. Promote the 'catch it, bin it. Kill it' approach. 3. Regular cleaning of settings from (Devon Norse / Fusion / the in-house team / Cormac). In addition, antibacterial spray, gloves, aprons and goggles / visors are provided where required. 		
2	Premises related matters			
2.1	Visitors and deliveries	Visits and deliveries to be arranged for quiet times or outside school hours wherever possible. Signing in system and lanyard use to be reviewed regularly. Signing in screen to be cleaned regularly and hand sanitiser provided. Visitors to be made aware of any relevant control measures.	Risk assessment and expectations shared with relevant visitors/contractors, as necessary.	No
2.2	Changes to building use being safe for pupils & staff – e.g. storage, one-way systems, floor tape.	Review whole school risk assessment (RA22 or equivalent), to ensure control measures remain suitable and in place. Update risk assessments to include any necessary changes (e.g. handwashing), including curriculum risk assessments where necessary. Consider how the rooms will be adequately ventilated. Carry out a premises safety check, including any impact to evacuation routes. Follow up work to be reported to the Premises / Site Manager and action taken to resolve.		No
2.3	First Aid procedures, Reduced numbers of first	Review First Aid risk assessment (RA22 or equivalent). Rota systems in place to ensure adequate numbers of first aid and PFA trained staff. Communication of first aid arrangements to be undertaken.		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
	aiders and Paediatric first aider.	PPE available within first aid supplies First aid during the coronavirus (COVID-19) pandemic guidance to be followed.		
2.4	Fire Procedures	<p>Review the fire risk assessment taking into consideration any changes made to the layout, and the impact this may have on fire evacuation and escape routes, and any increased risks of having significant amounts of high-alcohol-content hand sanitiser on the premises and compliance with its safe storage requirements.</p> <p>Ensure that testing and monitoring regimes are in place for fire detection and alarm systems, fire extinguishers and that any interim arrangements (such as doors propped open where necessary to reduce hand contact), are managed so that they do not compromise fire protection (and security) measures.</p> <p>Review where required fire evacuation routes and assembly points to ensure that social distancing guidelines are being met.</p> <p>Ensure any PEEPs are still suitable and staff are aware of contents</p> <p>Fire drills to continue as normal</p>		Yes – review Fire RA to take account of new line-up protocols
2.5	Water hygiene – management of legionella	<p>Review the water hygiene management plan. Ensure that agreed regimes for flushing and monitoring of temperatures have been maintained throughout any period of closure / partial opening.</p> <p>Where regimes have not been maintained ensure that cleaning and disinfection has taken place prior to reoccupation as per government guidance.</p> <p>Hot water system heated to full temperature, and hot and cold systems flushed through, and temperatures monitored and recorded as standard.</p>		No
2.6	Using and monitoring new practices to reduce risk of	<p>Training of all staff on return and new employees – to include contents of this RA, alternative layouts and any changes to fire evacuation routes, use of PPE, and location of designated room for suspected cases.</p> <p>Reiterating hygiene measures and the importance of them.</p>		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
	Covid-19 transmission	Headteachers and school leaders must monitor arrangements and make remedial actions where needed. Ensure there are opportunities for all employees to raise concerns / make suggestions.		
2.7	Management of premises related risks e.g. asbestos, delayed statutory testing (LOLER)	Communication arrangements to ensure that requirements and controls are understood by responsible persons (e.g. signing in processes for contractors). If equipment is not within statutory test periods (e.g. lifts and hoists) then it should be taken out of use until the inspection and test can be completed.		No
2.8	Staff rooms and offices to comply with social distancing and safe working practice	Where possible reduce the use of communal / shared facilities such as tea and coffee facilities and encourage staff to bring their own food and utensils. Enhanced cleaning regimes where possible. Face coverings may be worn.		No
2.9	Ventilation to reduce spread	Open windows and prop doors open, where safe to do so (bearing in mind fire safety, security and safeguarding). Air conditioning will only be used when it is deemed safe to do so. Where mechanical ventilation is present, recirculatory systems should be adjusted to full fresh air. If mechanical ventilation systems cannot be adjusted to full fresh air systems should be operated as normal – where possible to be run continuously, with any air recirculation switched off or set to as low a level as possible, following REHVA guidance. Ventilation to chemical stores should remain operational. LEV systems in secondary school workshops and specialist rooms, which are used to		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
		<p>remove dust and other particles from the air as part of practical making and finishing processes will remain in use when required.</p> <p>Further information can be found here: Ventilation and air conditioning during the coronavirus (COVID-19) pandemic</p> <p>Schools will utilise government provided equipment (i.e. Co2 monitors) to monitor ventilation.</p>		
2.10	Management of waste	<p>Ensure bins for tissues are regularly emptied.</p> <p>Follow the guidance and Government guidance on disposal of waste.</p> <p>Where it is necessary to wear PPE, this must be disposed of properly rather than going into recycling bins.</p> <p>For testing waste, refer to the testing specific risk assessment and latest government guidance.</p>		No
2.11	Management of incoming goods	<p>Follow measures in place at the school regarding supplies coming into and out of the school, which takes into consideration hygiene measures.</p> <p>Encourage regular hand washing and encourage messages to be passed electronically or by telephone.</p>		No
2.12	School owned outdoor play equipment	<p>Promote good hygiene and sanitisation, encourage users to clean their hands before and after play, ensure rubbish is disposed of regularly.</p> <p>Consult guidance on Managing Outdoor Playgrounds</p>		No
2.13	Contractors on-site whilst school is in operation	<p>Ongoing works and scheduled inspections for schools (e.g. estates related) to continue.</p> <p>Before contractors come onto site the following should be in place: An assessment has been carried out to see if any additional control measures are required to keep staff, pupils and contractors safe. Assurances have been sought from the contractors that all staff attending the setting will be in good health (symptom-free) and that contractors have procedures in place to ensure effective social distancing is maintained at all times.</p>		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
		In addition to arrangements for COVID-19, normal contractor procedures are being applied and have been updated in light of COVID-19 (including contractor risk assessments and method statements, and contractor induction).		
2.14	Hiring out premises	<p>Lettings to take place in accordance with the current regulations. If you hire out your premises for use by external wraparound childcare providers, such as after-school or holiday clubs, make sure these organisations have:</p> <ul style="list-style-type: none"> • considered the relevant government guidance for their sector • put in place protective measures • are aware that changes may be required at short notice 		No
2.15	Transitional, taster and open days	A risk assessment must be carried out before running transitional, taster and open days to ensure that they run within the school system of controls and align with the latest guidance	Risk assessments will be carried out, as necessary based on latest government guidance at the time.	Yes
2.16	Outbreak Management Plans not being in place	<p>Maintain an outbreak management plan as per Step 4 Contingency Framework in Education outlining how to operate if any measures described within the contingency framework are recommended in this area for any reason.</p> <p>A copy of the Outbreak Management Plan will be saved centrally</p> <p>Where asymptomatic testing sites are required, follow the latest guidance and testing risk assessment.</p>		No
3	Cleaning and reducing contamination			
3.1	Contaminated surfaces spreading virus.	<p>Maintain an effective cleaning schedule.</p> <p>Follow the guidance in the attached link: Cleaning in Non-healthcare Settings</p> <p>Follow government guidance if someone becomes ill with suspected COVID-19 at the setting.</p>		No
3.2	Shared resources and	Pupils and teachers can take books and other shared resources home.		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
	equipment increasing spread	Resources, equipment and specialist equipment (i.e. Therapy) should be cleaned.		
3.3	Cleaning staff and hygiene contractor's capacity - providing additional requirements	Discuss with cleaning contractors or staff any additional cleaning requirements and agree additional hours to allow for this. Ensure cleaning products being used are suitable and that adequate supplies of cleaning materials are available. Maintain the cleaning schedule and establish regular cleaning of shared areas. Review COSHH risk assessments where there is any change in products		No
3.4	Sufficient handwashing facilities for staff and pupils	Where a sink is not nearby, provide supervised access to hand sanitiser in classrooms and other learning environments. Ensure enough hand wash and sanitiser stations are available based on what you have learned from usage to date.		No
3.5	Additional time for all to carry out handwashing	Frequent hand cleaning as part of normal routine. Regular access to handwashing facilities through the day. Build routines into behaviour expectations and school culture.		No
3.6	Handwashing practice with children	Review the guidance on hand cleaning and introduce handwashing songs for younger children. Ensure that help is available for children and young people who have trouble cleaning their hands independently. See guidance and resources available at e Bug . Consider risks around ingestion of sanitiser and where this is a risk substitute for skin friendly sanitiser wipes for young children / those with complex needs.		No
3.7	Good respiratory hygiene	Promote 'catch it, bin it, kill it' ensuring that enough tissues and bins are available. Support should be provided for young children and those with complex needs, particularly where children spit / use saliva. In such cases this should be considered within the pupil's individual risk assessment.		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
3.8	Sufficient supplies of soap and cleaning products	Discuss with suppliers and contractors to ensure sufficient supplies and deliveries. Use regular detergents and bleach. Review COSHH assessments (RA05) and implement additional controls required where there has been any change in products.		
3.9	Toilets being overcrowded	Measures to reintroduce allocation of toilet facilities to be noted in outbreak management planning in case they are required for a temporary period. Toilets to be cleaned regularly and pupils must be encouraged to clean their hands thoroughly after using the toilet.		No
3.10	Dedicated spaces	Dedicated space to be arranged should anyone require a space for i.e. worship, breast feeding or expressing. Area to be cleaned thoroughly between uses.		No
4	Staff related issues			
4.1	Staff access and egress to site and buildings	Staff will arrive and leave the building in their normal way. It is all staff responsibility to adhere to government guidance. Staff must wash their hands when they arrive and encouraged to maintain hygiene standards.		No
4.2	Staff measures to reduce contact and transmission Covid-19.	The latest DfE guidance must be followed. All teachers and other staff can operate across different classes and year groups in order to facilitate the delivery of the school timetable. IT Technicians provide IT support remotely and within teaching and office spaces. The ticketing service desk is in use. Staff and student reception in place. Site helpdesk in place		No
4.3	Managing supply teachers, visitors, contractors and other	Supply teachers, peripatetic teachers and/or other temporary staff can move between schools. Specialists, therapists, clinicians and other support staff for pupils with SEND should provide interventions as usual.		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
	temporary visiting staff.	<p>Schools should have discussions with key contractors about the school's control measures and ways of working. Where visits can happen outside of school hours, they should.</p> <p>It is important that staff who are managing supply teachers, visitors, contractors and other temporary visiting staff are conversant with protocols within the school.</p>		
4.4	Insufficient staff capacity to deal with increased numbers of pupils - Shortage of teachers to maintain staff to pupil ratios	<p>If there are any shortages of teachers to teach the number of classes, appropriately trained teaching assistants can be allocated to lead a group, working under the direction of a teacher.</p> <p>Careful planning of the year groups/classes should be undertaken based on staff availability.</p> <p>Supply teachers and other peripatetic staff can be engaged where necessary.</p> <p>Where there are not sufficient staff to cover staff absences, the school emergency plans will be followed to condense the school or curriculum, or, enact partial or full school closure.</p>	Study Hall/cover supervisors to be deployed to deal with absences in the first instance.	No
4.5	Anxiety levels of staff and community causing breakdown in staffing ratios, compromising group sizes.	<p>Staff should refer to the Staff Hub for guidance and support.</p> <p>Schools advisory service is available to provide free, remote and confidential counselling for any employee.</p> <p>Managers to hold discussions with individuals to alleviate concerns and to establish whether additional training or support would be helpful.</p> <p>HR have provided managers with guidance on Absence Management and supporting employees.</p> <p>If appropriate, seek GP or occupational health advice.</p> <p>Where the member of staff has anxieties about returning, this conversation can be held and recorded using the 'Risk assessment for all staff including vulnerable groups'</p> <p>Further advice is available from HR if required.</p>		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
4.6	Staff understanding of new changes – safe practice at work & in classroom. Teaching in a safe environment	Talk to staff about the plans (for example, safety measures, timetable changes), including discussing whether training would be helpful. Ensure staff are aware of who to contact and how to raise suggestions or concerns.	<ul style="list-style-type: none"> All staff made aware of expectations via training and correspondence. Risk Assessment and relevant documentations shared on Google Drive 	No
4.7	Accessing testing arrangements are clear for all staff	Guidance about testing, including the NHS ‘Test and Trace’ service, is available via this link https://inside.devon.gov.uk/task/guidance-for-dealing-with-coronavirus-covid-19/essential-worker-testing/ Testing Specific risk assessment in school and specific guidance is available to all participants.		No
4.8	Conditions for use of fluid resistant face mask and other equipment when dealing with a symptomatic child are clear and understood by staff.	If a child, young person or other learner becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home appropriate PPE should be worn by the supervising adult if a distance of 2 meters cannot be maintained. If contact with the child or young person is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If a risk assessment determines that there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn Ensuring that fluid resistant face masks are available for all schools and that a supply is maintained.	<ul style="list-style-type: none"> PPE provided as necessary. If a student is identified as being symptomatic or has a positive LFT they will be isolated and await collection in room 004 (next to reception) and make use of the toilet facilities in room 005. Once the student has left, the room/s will be thoroughly cleaned before being used again. 	No
4.9	Assessment of all staff, including high	Headteacher will refer to the HR FAQ document to manage individual working arrangements.		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
	risk staff with vulnerable / shielding family member, underlying health conditions or other risk factors	<p>CEV individuals are no longer advised to shield but must continue to follow the rules in place for everyone under the current national restrictions.</p> <p>All pregnant employees will have an individual risk assessment which will be reviewed regularly.</p> <p>Individual risk assessment with clinically extremely vulnerable and clinically vulnerable staff should be reviewed regularly.</p> <p>A risk assessment should also be undertaken with staff who may be anxious.</p> <p>The 'Risk assessment for all staff including vulnerable groups' can be used to aid and record this assessment - https://staffhub.tedwraggtrust.co.uk/managers-area/covid-19/#Risk-Assessment-anchor-link</p> <p>Managers Guide to Supporting BAME or other vulnerable colleagues: will follow guidance and undertake a risk assessment with staff member: https://staffhub.tedwraggtrust.co.uk/managers-area/covid-19/#Risk-Assessment-anchor-link</p> <p>Pregnancy: The Expectant Mother risk assessment has been amended to include Covid 19 and should be completed. https://staffhub.tedwraggtrust.co.uk/managers-area/covid-19/#Risk-Assessment-anchor-link</p> <p>Staff with concerns over their availability to work should refer to the Absence Management Toolkit on the website staff area for further details, risk assessments and resources.</p> <p>Staff with concerns over their availability to work should refer to the Absence Management Toolkit on the website staff area for further details, risk assessments and resources.</p>		
4.10	Staff use of PPE	Pupils whose care routinely already involves the use of PPE due to their intimate care needs will continue to receive their care in the same way.		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
4.11	Use of PPE Lack of understanding	Adequate training / briefing on use and safe disposal to be given to relevant staff. Follow guidance on putting on and taking off standard PPE COVID-19: personal protective equipment use for non-aerosol generating procedures and above guidance on use in education settings. Staff to read and raise any queries to their H&S lead.		No
4.12	Staff member becoming unwell with Covid 19	<p>If anyone in your school develops symptoms of covid 19, follow latest government guidance</p> <p>A staff member should let the leadership team know and go home. Where that person needs to use the bathroom before they go home, they should use a separate bathroom if possible. The bathroom must be cleaned and disinfected before being used by anyone else. Everyone must wash their hands after any contact with someone who is unwell. The area around the person with symptoms must be cleaned after they have left to reduce the risk of passing the infection on to other people.</p> <p>Where the employee is symptomatic but feels well, the employee may work from home whilst isolating in accordance with the Government Guidance. The employee may not return to work unless their test is negative, they are well enough to return and they have completed the appropriate isolation period in accordance with the Government Guidance</p>		No
4.13	Dealing with suspected and confirmed case/ cases and outbreak.	Follow most up to date government guidance and flow chart from PHE SW : https://www.england.nhs.uk/south/wp-content/uploads/sites/6/2021/08/schools-flowchart-v15-aug-21.pdf Reporting cases as necessary		No
4.14	Lateral Flow testing	See school specific testing risk assessment and School Operational Guidance for further details. All staff are encouraged to partake in twice weekly testing.		No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
5	Pupil related issues			
5.1	Vulnerable groups who are clinically, extremely vulnerable	<p>All pupils should attend education settings unless they have been advised by their GP or clinician not to attend an education setting. Where a pupil is unable to attend school because of this, systems to be put in place to keep in contact with them, offer pastoral support, and check they are able to access education support.</p> <p>Any pregnancy in pupils to follow guidance for pregnant employees. Covid 19 - advice for Pregnant Employees. Also see 4.9</p>		No
5.2	Pupil wellbeing and support	<p>Measures are in place where children are distressed.</p> <p>Some pupils may be experiencing a variety of emotions in response to the COVID-19 pandemic, such as anxiety, stress or low mood. This may particularly be the case for vulnerable children, including those with a social worker and young carers. It is important to contextualise these feelings as normal responses to an abnormal situation.</p> <p>Where there is a concern a pupil is in need or suffering or likely to suffer harm, the child protection policy and part 1 of keeping children safe in education will be followed and where appropriate referrals to statutory services (and the police) as appropriate.</p>	<ul style="list-style-type: none"> • Pastoral support available from SSOs/ HoH/tutors • Inclusion team available for vulnerable students • Regular all staff updates on vulnerable pupils • SSS panel takes place one a term where vulnerable pupils are discussed and support agreed • TAM and EHAT meetings take place with the Brunel, Inclusion or Pastoral Teams if a pupil needs enhanced support • Young Devon workshops take place which cover topics such as low mood and resilience 	No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
5.3	Children with EHCP and pupils who attend dual settings	<p>Appropriate documentation to be completed and maintained, identifying the risks and measures in place to support individual students.</p> <p>For dual settings, work through the system of controls collaboratively, enabling any risks identified to be addressed and allowing the joint delivery of a broad and balanced curriculum for the child</p>		No
5.4	Pupils unable to follow guidance	<p>Some pupils will need additional support to follow these measures.</p> <p>Appropriate documentation to be completed and maintained.</p>		No
5.5	Pupils equipment	Pupils can now bring their equipment into school each day		No
5.6	Member of a class becoming unwell with COVID-19	<p>If anyone in your school develops symptoms of covid 19, follow latest government guidance</p> <p>If a child is awaiting collection, they will be moved to a room where they can be isolated behind a closed door, depending on the age of the child and with appropriate adult supervision if required.</p> <p>Ideally, a window should be opened for ventilation.</p> <p>If it is not possible to isolate them, move them to an area which is at least 2 metres away from other people.</p> <p>Allocate a suitable room for this purpose and communicate intentions to staff.</p> <p>Ensure suitable PPE (including fluid resistant face mask) is available at this location.</p> <p>Where that person needs to use the bathroom they should use a separate bathroom if possible. The bathroom must be cleaned and disinfected before being used by anyone else.</p> <p>Everyone must wash their hands after any contact with someone who is unwell. The area around the person with symptoms must be cleaned after they have left to reduce the risk of passing the infection on to other people.</p>	<ul style="list-style-type: none"> • If a student is identified as being symptomatic or has a positive LFT they will be isolated and await collection in room 004 (next to reception) and make use of the toilet facilities in room 005. • Once the student has left, the room/s will be thoroughly cleaned before being used again. 	No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
5.7	School Uniform	Uniforms do not need to be cleaned any more often than usual, nor do they need to be cleaned using methods which are different from normal. Uniform policies may be temporarily reviewed in light of seasonal weather where necessary.		No
5.8	Behaviour	The behaviour policy will be applied effectively should students not follow health and safety procedures. As they will have been directed any refusal to follow guidelines on things such as distancing will be treated as defiance and sanctioned appropriately.		No
5.9	Wrap around care	Wrap around care will be provided in line with the latest guidance.		No
6	Transport			
6.1	Travel to school and provision of safe school transport:	<p>Consider school transport arrangements and where possible encourage parents and pupils to walk or cycle to school where possible.</p> <p>Liaise with School Transport Team where further consideration needs to be given to taxi, escort services.</p> <p>Recommend that staff and pupils wear face coverings during their journey and wash their hands before and after their journey.</p> <p>See guidance: transport-to-school-and-other-places-of-education-guidance</p> <p>Where changes are required as a result of a local outbreak, refer to school contingency plans and liaise with school transport team.</p> <p>ALL students will be expected to abide by the DCC / PCC Code of Conduct</p> <p>Students, drivers and escorts should clean their hands before boarding and when arriving at school or home.</p> <p>Parents must be advised that students MUST NOT use school transport if they or a member of their household has symptoms of coronavirus. Any pupil who displays coronavirus symptoms at school should be sent home immediately. They must not travel on home to school transport. Where this is not possible you must contact the Transport Coordination Service</p>	No daily ASAP school transport.	No

No.	Significant hazard / risk	Normal control measures	Additional measures in place	Further action? Yes / No
		at DCC / PCC. Transport Coordination Service will work with Public Health colleagues to manage any virus outbreak.		
7	Curriculum considerations			
7.1	Curriculum provision in all subjects not provided	<p>In accordance with the guidance, this school will ensure that the key principals underpin the curriculum planning:</p> <ul style="list-style-type: none"> All pupils to receive a high-quality education that promotes their development and equips them with the knowledge and cultural capital they need to succeed in life. The curriculum remains broad and ambitious. All pupils continue to be taught a wide range of subjects, maintaining their choices for further study and employment. <p>Any risk to this to be brought to the attention of SLT.</p> <ul style="list-style-type: none"> Managers should refer to the outbreak / contingency plan to ensure they can respond to the risk. 		No
7.2	Suspension of some subjects for some pupils in exceptional circumstances.	Suspension and modification should form part of the Outbreak Management plan in the event that it is necessary and schools should be able to show that this is in the best the interests of these pupils and this should be subject to discussion with parents. A coherent plan for returning to their normal curriculum for all pupils where this is necessary to be in place.		No
